PERSONAL PROJECTS

PRICE COMPARISON

The price comparison project aims to create a platform where users can compare prices of products from different retailers to make informed purchasing decisions.

BLIND SPOT

"BLIND SPOT" mobile app assists visually impaired individuals by using volunteers to guide them and recognize currency notes,enhancing community solidarity and aiding in the detection of counterfeit money.

Employee Task Management System System

Developed an efficient Employee Task Management System to streamline task allocation and monitoring processes, enhancing team productivity and project efficiency. Employed innovative technologies and intuitive user interfaces to create a seamless workflow for task assignment, tracking, and reporting, demonstrating strong problem-solving and technical skills.

EXPERIENCE

I am a Fresher who is looking for opportunity to work for a reputed company
